Hi, my name is Del Pierson and I am a Sales Engineer here at XMA! I focus on the cryogenic and space industries, and it is my priority to provide you with fresh information on XMA's products and accomplishments. In my free time, I enjoy hiking the White Mountains, knitting and wake-boarding. I hope you'll stay connected with XMA through our social media channels and reach out with any questions. Any inquiries can be sent to me at mpiernson@xmacorp.com.

You know what they say: the more, the merrier! XMA's power dividers are ready to split your power into two or more identical outputs. This product family comes in 2, 3, 4, 6, and 8-ways, and service up to 30 Watts of power. We offer SMA, 2.92mm, 2.4mm, and 1.85mm connector types with options up to 65GHz. All of our power dividers have female connectors with options for resistive female connectors. Let us give you more for less today!
