XMA NAMED #1 BEST COMPANY TO WORK FOR BY BUSINESS NH MAGAZINE

(Manchester, NH | September 5, 2023) – XMA Corporation is pleased to announce that they have been named the #1 Best Company to Work for by *Business NH Magazine*. *Business NH Magazine* recognizes the best employers in the state and shares how they go above and beyond when it comes to attracting and retaining employees, while creating a positive work environment.

XMA is known for their industry leading work in the design and manufacture of hardware used in the space, cryogenic, telecommunications and test and measurement markets. Being named the Best Company to Work For by *Business NH Magazine* reflects each and every hard-working team member.

XMA recognizes that their commitment to their team goes beyond the standard benefits of competitive pay, 401k plans, student loan reimbursement, comprehensive healthcare plans, paid time off, and employee events. It's about genuinely understanding each individual, meeting them where they are in their journey, recognizing what drives them, and discovering how to ignite their passion and potential to reach their own unique pinnacle of success. This personalized approach sets XMA apart from the rest.

According to Marc Smith, President and CEO of XMA, "We believe that by fostering a deep connection with our team members, we not only enhance their professional growth but also create a thriving work environment that sets the stage for collective success."
